

## Model of Hybrid Learning:

Center High School's A/B calendar will remain as previously established during distance learning and as posted on the school [web-site](#). The structure for students who will attend in-person instruction and who will participate synchronously online will rotate every two weeks. For example, students in the Blue Group will start with in-person instruction for A day classes and be online for B day classes while the Gold Group will be the opposite: online for A day and in person for B day. After two weeks, the schedule will switch. In this model, students will be on campus for a minimum of two days per week. A model of the rotation is as follows:

Tracks/Groups	Monday (Blue A Day)	Tuesday (Gold B Day)	Wednesday (Blue A Day)	Thursday (Gold B Day)	Friday (Blue A Day)
Blue Group	In-person	Online	In-person	Online	In-person
Gold Group	Online	In-person	Online	In-person	Online
