ACADEMIC DISHONESTY (CHEATING)

Center High School does not condone any form of academic dishonesty and holds the highest expectations for students to submit their own, original work or properly cite sources used. Some examples of cheating include, but are not limited to, the following:

1. Sharing answers in any way on assignments, tests, quizzes, or exams.
2. Looking at, receiving, or copying from someone else's paper, assignments, tests, quizzes, or exams.
3. Talking during a test, quiz, or exam.
4. Using a cheat sheet or any kind of unauthorized notes.
5. Showing someone else your assignment, test, quiz or exam.
6. Turning in someone else's work and claiming it as your own.
7. Stealing a test, quiz, or exam including, but not limited to taking pictures of a test, quiz, or exam.
8. Using a stolen test, quiz, or exam, using other graded materials, or being in possession of stolen materials/ data.
9. Having a cell phone out or on during a test or quiz.
10. Submitting non-cited information found on the internet or elsewhere.
11. Fabricating or altering lab data.
12. Plagiarism:

According to the MLA Style Manual and Guide to Scholarly Publishing, "using another person's ideas or expressions in your writing without acknowledging the source constitutes plagiarism... to plagiarize is to give the impression that you wrote or thought something that you in fact borrowed from someone." The manual regards all of the following actions as plagiarism unless credit is given to the original sources:

- A. Repeating the exact words or phrases of another person or website.
- B. Paraphrasing or rewording someone else's thoughts.
- C. Using someone else's argument or line of reasoning.
- D. Using Internet or other translations as your own work.

Possible Consequences to Academic Dishonesty as determined by administration discretion:

First Instance:

2. Teacher will confer with the student
3. Teacher will notify parents/guardians and inform them of consequences
4. Teacher will refer the student's name to administration

Second Instance:

2. Teacher will notify student's counselor
3. Teacher will notify parents
4. Teacher will refer student's name to administration

Third Instance:

1. Same as Second Instance
2. Administrative action will be taken

CLASS CHANGE AND ADD/DROP POLICY

Students must select courses carefully and are responsible for the selections they request. Please note the following course-change policy when selecting classes:

A Center High School student is expected to stay in a year-long class the entire year, both semesters—fall and spring. Changing a student's schedule mid-year is disruptive to the established classes, the education of the student(s), and staffing. Staffing levels and courses offered for the entire school year are based on the courses students select in the spring of the preceding school year.

POSSIBLE EXCEPTIONS TO THIS RULE ARE:

1. A student has already completed the course (for example in either summer school or other credit recovery program) after the course was requested or the student was enrolled.
2. A student does not meet the recommendation(s) or requirement(s) to be in the class.
3. A senior is missing a course needed for graduation or admission to college.

PROGRAM CHANGES ONLY AT SEMESTER:

1. If a student is to be added to or removed from a program.
2. Physical Education classes within the same period may be switched if class numbers permit.

IF A SCHEDULE CHANGE IS REQUIRED, THE FOLLOWING WILL/MAY OCCUR:

1. If the course is either fourth or eighth period, an early dismissal (juniors and seniors only) may be scheduled in place of the class.
2. Every effort will be made to keep the students with their current teachers.

This policy is subject to change per administrative discretion and **all requests must be made through the counseling department within the first ten (10) school days of the school year.**

CREDIT FOR COURSES TAKEN AT A COMMUNITY COLLEGE

Students planning to take a community college course must first meet with their counselor. The Los Rios Community College District requires the Advanced Education Application and Sierra College requires the Academic Enrichment Application. Students must currently possess a 2.70 GPA for the Los Rios Community College District and a 3.00 GPA for Sierra College. Note: The application will be reviewed and approved or denied by your counselor based on the eligibility criteria described above. You must meet the college's minimum requirements in order for your counselor to sign off. One community college unit is equivalent to 3.33 high school credits. The course will be documented on your high school transcript when an official community college transcript is provided. No honor status is given for any community college course.

EARNING CREDITS IN HIGH SCHOOL

Students earn credits toward graduation and a diploma that also appear on a permanent high school transcript that will be looked at by colleges and future employers. Students are not awarded credits for 'F' grades. An additional grade point will be awarded in Honors or AP course for a grade of 'C' or higher. Ten unexcused absences in a class may result in earning an "F" for that class per Board Policy 5121. Per Board Policy 6146.1, a student must complete a total of 260 credits in order to graduate from Center High School.

GRADING STANDARDS

Grades of A (exceptional), B (above average), C (average), and D (minimum) are passing and earn credits towards graduation. A grade of "F" is failing, and no credit is awarded. Progress reports are available online at the end of the first and third quarters as well as halfway through each quarter at approximately four to five weeks into each quarter. A quarter at Center High School is approximately nine weeks, or half of a semester. Center High School calendar is available on the school's website: www.chs.centerusd.org. Quarterly progress reports and first semester report cards are sent home with students. Second semester grades are mailed home. Semester grades are recorded on students' transcripts and count towards graduation.

GRADUATION REQUIREMENTS

In order to earn a diploma from Center High School, students must:

1. Earn 260 credits out of a possible 320 credits

When you use school computers, you agree to follow the directions of teachers and staff, the rules of the school and district, and the rules of the computer networks you access. **Please remember to protect your password.** Do not allow anyone else to use your password, and do not use anyone else’s password.

DISCIPLINE PROCEDURES

An important part of the philosophy of Center High School is that all teachers have the right to teach, and all students have the right to learn. Students should be provided with every opportunity to fully experience wholesome and worthwhile learning experiences. The maintenance of good school discipline is an important part of the educational process. The presence of chronic behavior and/or attendance issues is not conducive to effective teaching/learning situations and will not be tolerated.

DRESS CODE

The following guidelines are intended to define “appropriate student attire” and personal grooming. The purpose is to prevent disruption of the classroom atmosphere, enhance classroom decorum, eliminate disturbances among other students, and minimize distractions so as not to interfere with the educational process. It is also intended to help protect the health and welfare of the individual student. At all times, all students are expected to abide by the following guidelines:

1. Clothing, jewelry, personal items (gym bags, backpacks, water bottles, notebooks/binders, etc.) and tattoos with language or images that are vulgar, sexually suggestive, discriminatory, promoting prejudice, obscene, libelous, or that promote illegal or violent content, such as weapons, drugs, alcohol, tobacco, drug paraphernalia, or that contains threats, are prohibited.
2. Garments/clothing shall be sufficient to conceal undergarments at all times.
3. Shorts, skirts, and dresses must cover the upper-thigh area.
4. Shirts and tops must cover the entire torso, including chest, back and midriff. Tube tops, halter-tops, backless tops, scoop-neck tops, low V-neck tops, half shirts, spaghetti straps, off the shoulder tops, and muscle shirts are not appropriate. Sheer/mesh tops must have appropriate clothing underneath.
5. Pants, shorts and skirts must be worn at or above the hip bone/waist.
6. No pajamas or blankets.
7. Hats, beanies, hoodies, bandanas, etc. (except those being worn for religious purposes) should be removed prior to entering a school building depending on the classroom guidelines or staff direction.
8. Footwear must be worn at all times. No bedroom slippers or “flip-flops.”
9. Any clothing or accessories related to or promoting gangs are not acceptable.

*** Students violating any part of this dress code will be sent to the office for replacement shirts, sweat pants, or other articles of clothing.**

**** This list is not all-inclusive. The administration reserves the right to use discretion in deciding what is appropriate or acceptable.**

NOTE: Coaches and teachers in classes such as CTE classes or labs, may impose more stringent requirements than the above consistent with the needs of the particular sport and/or class to ensure student safety

DROP-OFFS / DELIVERIES

The front office is not designed to receive or deliver students’ items such as P.E. clothes/shoes, sports equipment, food for class parties, balloons, flowers, stuffed animals, cards, cell phones, or money. The office will accept forgotten homework, backpacks, projects, and sack lunches. It is the student’s responsibility to come to pick up the item during the passing period or lunch. The office will not send passes or pull students out of class, nor should a student leave class without a pass from his/her teacher. Center High School is not responsible or liable for items dropped off.

THIRD PARTY FOOD DELIVERIES: Students are not permitted to have food delivered by businesses or third party deliveries. This includes and is not limited to pizza deliveries or deliveries by such vendors as Uber Eats, Grub Hub, etc. that deliver from other establishments. Such vendors will be turned away or food items will be confiscated and held until the end of the day.

LEAVING CAMPUS - STUDENTS

When a student needs to leave campus early, he/she/they must sign out in the Attendance Office with one of the following verifications at the time of dismissal from school:

1. Student may be signed out by a parent/guardian.
2. Student may bring a note from the parent/guardian to the Attendance Office.
3. The parent/guardian may call the Attendance Office to verify the student’s dismissal time prior to the time of dismissal.
4. Students leaving campus during lunch are subject to a discipline referral to site administration.

Failure to follow these procedures will result in the student being marked truant. Students with fewer than four classes per day must get an Early Dismissal sticker on their ID card in order to leave campus early. Stickers are available in the Attendance Office. The office staff may periodically confirm a student check out with a telephone

call to the parent/guardian. Individuals not listed on a student's emergency card may not sign out, check out, or acquire student information.

PERSONAL ELECTRONIC DEVICES AND CELL PHONE USAGE –

CHS IS NOT RESPONSIBLE FOR ELECTRONIC DEVICES BROUGHT TO CAMPUS

Students are discouraged from bringing cell phones, cameras, musical devices, games, and other electronic devices to school that are not approved and intended for use for educational purposes. Electronic devices may only be used before and after school, during lunches, and between classes. All cell phones and electronic devices must be turned off and put away before entering any buildings. Any electronic device being used or that goes off during class time may be confiscated by the teacher and turned over to the administration with a classroom referral. All electronic devices must be used in a manner not to disrupt the school environment. Violations of this policy will result in an appropriate alternative means of correction which will be determined by teacher and administration.

Due to high theft rates, electronic devices are not encouraged on campus. Center High School is not responsible for lost or stolen electronic devices. Center High School staff will not conduct investigations involving lost or stolen electronic devices.

RETURNING TO SCHOOL FROM ILLNESS

Per the direction of CJUSD health personnel, it is requested that students who have left school or stayed home due to symptoms such as fever or vomiting, are asked to stay home until after the student has been symptom free without the aid of medication for 72 hours.

Should a student exhibit symptoms of COVID-19, the disease related to the coronavirus, it is recommended per the county health guidelines that the student quarantine for a minimum of 10 days. (See Appendix A)

QUESTIONING OR INTERVIEWING A STUDENT AND PARENT NOTIFICATION

There is no provision in the law requiring a District Administrator to contact a parent/guardian before interviewing a student for any purpose. Administrators have the responsibility to gather information necessary to maintain safety, smooth operation, and order to keep the focus on the educational mission of the school. Even if a student is found to have violated the rules, there is no requirement for prior parent/guardian notification. The district strictly follows discipline procedures specified in the California Education Code. Should interviews uncover a violation of the rules and suspension is warranted, this may follow only under procedures in Education Code section 48911 which calls for advising a student of the charges and evidence and soliciting the student's version of the facts but does not call for notifying parents/guardian(s) in advance.

SENIOR EXPECTATIONS

It is important that all seniors recognize that participation in graduation is a privilege, not a right. Seniors who commit a serious disruption of school activities including, but not limited to, streaking; consuming, possessing or being under the influence of alcohol or illegal drugs; fighting; or any suspendable offense during their senior year may not be allowed to participate in the graduation ceremony or the senior activities associated with the closing week of school. "Pranks" may be considered vandalism, which is a suspendable offense. In addition, seniors who owe the school money must pay all fines prior to graduation practice in order to participate in the graduation ceremony. All seniors and their parent/guardian sign a "Contract of Expectations" at the beginning of the school year detailing the specifics of what is required in order to participate in graduation, including specific attendance information. Contracts are required of all seniors; however, the consequences for seniors remain the same even if the signed contract is not returned.

SEXUAL HARASSMENT

The School Board recognizes that sexual harassment can cause embarrassment, feelings of powerlessness, loss of self-confidence, reduced ability to perform schoolwork, and increased absenteeism or tardiness. To promote an environment free of sexual harassment, the Principal or designee shall take appropriate actions such as removing vulgar or offending graffiti, establishing site rules, and providing staff in-service or student instruction and counseling. Teachers shall discuss this policy with their students in age-appropriate ways and shall assure them that they need not endure any form of sexual harassment. The Board shall not tolerate sexual harassment of any student

or district employee by any other student or any district employee. Any student or employee who is found guilty of sexual harassment shall be subject to disciplinary action. The Board encourages students to immediately report incidences of sexual harassment to a school administrator. The Superintendent shall promptly investigate each complaint of sexual harassment in a way that ensures the privacy of all parties concerned. In no case shall the student be required to resolve the complaint directly with the offending person. Pursuant to law, unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature constitute sexual harassment when:

1. Submission to the conduct is explicitly or implicitly made a term or condition of an individual's employment, academic status, or progress.
2. Submission to or rejection of the conduct by an individual is used as the basis for academic or employment decisions affecting the individual.
3. The conduct has the purpose or effect of having a negative impact on the individual's academic or work performance, or of creating an intimidating, hostile, or offensive educational or work environment.
4. Submission to or rejection of the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the school.

Other types of conduct which are prohibited in the district and which may constitute sexual harassment include, but are not limited to, the following:

1. Unwelcome sexual flirtations or propositions.
2. Verbal abuse of a sexual nature.
3. Graphic verbal comments about an individual's body, sex, gender, sexual preference, marital status, etc. or the perceived affiliation with such protected classes.
4. Sexually degrading words used to describe an individual.
5. Display of sexually suggestive objects or pictures in the educational environment.
6. Any act of retaliation against an individual who reports a violation of the district's sexual harassment policy or who participates in the investigation of a sexual harassment complaint.

STUDENT IDENTIFICATION

For purposes of safety, security, and ease of identification in an emergency, all students are issued an identification card that must be carried by the student while on campus or at any CHS event. Student IDs must be presented when buying anything or picking up merchandise at the ASB window. Student IDs are also necessary when checking out library books, and are required for all school dances and events. Cost for a replacement ID card is \$5.

STUDENT RESPONSIBILITIES

All pupils shall comply with the regulations, pursue the required course of study, and abide by the authority of the teachers and staff of Center High School. (Renumbered Stats. 1983, CH. 498).

STUDENT RIGHTS

Students have rights, as do all citizens, under the constitution, as well as state law and district policy. Student rights include:

The right to be heard. Students are encouraged to voice constructive criticism through student government, advisory committees, teachers, school staff, and any other channels of communication, as long as that process does not substantially disrupt the orderly operation of the school.

1. The right to an education in a safe, clean environment.
2. The right to full use of class time for receiving instruction and for learning.
3. The right to fair, consistent, and respectful treatment by staff members and other students.
4. The right to a hearing as established under Education Code 48900.
5. The right to seek redress of grievances through the district's grievance procedure.

SUSPENSIONS / EXPULSIONS / SOCIAL PROBATION

A student may face disciplinary actions such as administrative actions, suspension, expulsion, etc. per California Education Codes 48900 and 48915. A student may be suspended or expelled for acts which are related to school activity or attendance while on the school grounds, while going to or coming from school, during the lunch period whether on or off campus, and during or while going to or coming from a school sponsored activity. Administrators have the authority to suspend students from school for up to five (5) days. Teachers have the authority to suspend students from the classroom for up to two (2) days. A parent conference will be held for the purpose of addressing the inappropriate behavior. Suspensions shall be imposed only when other means of correction fail to bring about proper conduct or if conduct violates pertinent California Education Codes. A student may be immediately suspended for offenses (a) through (m) of the Suspension Form if the student presents a danger to persons or property, or if the student threatens to disrupt the instructional process.

ACTIVITIES AND EXTRACURRICULAR POLICIES

ATHLETICS

PHILOSOPHY: Our goal is to produce student athletes who, through sports, learn the importance of sportsmanship, respect, teamwork, physical health, self-improvement, and competition. Through athletics, our student-athletes will learn the skills needed to later become contributing members in a highly competitive society. The use of any steroids or other performance enhancing drugs is a violation of district policy.

SPORTSMANSHIP: Sportsmanship is the “golden rule” of athletics. It means treating others as you wish to be treated. As student-athletes, we must develop the practice of playing fair, exercising self-discipline, showing respect for authority, and demonstrating the spirit of hard work and sacrifice. We must take loss or defeat without complaint and victory without gloating. We must always treat opponents with fairness, generosity and courtesy. As student-athletes, we must seriously accept the responsibility and privilege of representing Center High School and our community.

FAN/SPECTATOR BEHAVIOR: We encourage all students as well as members of the community to support Center High School athletics by attending athletic events. Good sportsmanship is expected from all CHS fans/spectators. Direct your excitement and support to our teams. Derogatory or unsportsmanlike behavior directed to the opponent or the referees/officials is inappropriate and does not reflect the high standards of Center High School. Fans are expected to treat guests from opposing schools and the referees/officials with respect and courtesy. Any fan/spectator not abiding by these expectations could face removal from the current event and possible exclusion from future contests or events, whether home and away, in which CHS participates.

ACADEMIC ELIGIBILITY: All students participating in athletics shall demonstrate satisfactory minimum progress in meeting the requirements of graduation. In order to be eligible for participation, a student must have earned a minimum 2.0 grade point average during the preceding quarter grades. Grades issued at the end of the first and third quarters and grades issued at the end of the first and second semesters will be used to determine eligibility. An athletic eligibility waiver (available for GPA's less than 2.0 with only one 'F') may only be used once during four years of high school.

PROCEDURES TAKEN BY STUDENT TO APPEAL GPA TO RECEIVE A WAIVER

1. Student picks up a Grade Appeal Form from the Athletic Director.
2. Student returns completed form to the Athletic Director. After reviewing the appeal, the Athletic Director will approve or deny the appeal on a one-time basis and is responsible for keeping a record of the process.
3. Freshmen are discouraged from using this one-time waiver and may be denied based on a case by case basis.
4. Any student not on track for graduation will be denied a waiver.

ATHLETIC CLEARANCE: All clearance materials must be submitted to the following website for “SportsNet” <https://sportsnethost.com/centerhs-parent> and cleared by SportsNet. A student cannot participate until this approval has been granted unless, during the summer when school offices are closed (registration & student center), then a new incoming athlete can present a valid physical to the head coach. In order to register the student in the system the athlete’s parent/guardian will need an exact match of the spelling of the student’s first and last name as well as his/her state student ID number (10 digits). As soon as school’s offices reopen, registration in SportsNet must occur in order to continue practice/play with the team. A student will not have a student ID number unless registered at CHS.

ATHLETIC SUSPENSION: Students should understand that the staff at Center High School strongly believe that the use of tobacco, alcohol and drugs anytime is not acceptable for high school students for health and safety reasons. The staff believe that the current glamorization of the use of tobacco and alcohol is misleading and believe that high school students should be aware of the negative effects of tobacco (including Vaping, e-cigarettes, or use of similar products), alcohol and drug use.

1. Any student who smokes, chews or possesses tobacco in any form anytime during a sport season will be ineligible to represent the school in any interscholastic contest for six weeks, excluding vacation periods. With the coach’s permission, the student may continue to practice with a team but may not wear a school uniform or otherwise represent a team at any interscholastic contest. The coach and student will meet to discuss what the student may expect if he/she continues to practice with the team.
2. Any student who uses or possesses alcohol or drugs on or off campus before, during or after school hours shall be ineligible for six weeks of school (vacation periods excluded). With the coach’s permission, the student may continue to practice with a team but may not wear a school uniform or otherwise represent a team at any interscholastic contest. A second offense involving alcohol or drugs will cause the student to be ineligible for one calendar year from the date of the infraction. The student may not continue to practice or participate with a team during the calendar year of ineligibility.
3. Any student involved in the sale of drugs or alcohol anytime during season or off-season will be ineligible for one calendar year from the date of the infraction. The student may not continue to practice or participate with a team during the period of ineligibility.

ATHLETIC AND EXTRACURRICULAR ACTIVITIES

Many extracurricular activities, not limited to but including athletics, are available during the year. The California Interscholastic Federation (CIF) and the state of California have established minimum criteria for participation in all CIF sponsored activities. To be eligible to participate in athletics and/or extracurricular events, a student must:

1. Have at least a 2.0 GPA on the report card the preceding quarter. Weekly grade reports or current grades in Aeries are not used to determine eligibility.
2. Follow all team, club, group, class, organization, and school expectations (contracts).
3. Maintain good citizenship throughout the season and/or school year.

ASSOCIATED STUDENT BODY STICKERS

The ASB sticker entitles a student to free admission to all home games, free admission to the Welcome Back Dance, and other discounts. Money derived from the sale of ASB stickers goes to support school activities. The cost of the ASB sticker is \$40.00.

CALIFORNIA SCHOLARSHIP FEDERATION

CSF is a state-wide honor society. Members have access to specialized and general scholarships at outstanding universities. Students who are members for four semesters (at least one during senior year) have a seal affixed to their diploma and become Life Members. The CHS CSF chapter selects service projects, activities, and events to attend. To join CSF, the student must fill out an application at the beginning of each semester.

CLUBS AND ORGANIZATIONS

Students have the opportunity to participate in a variety of academic, multicultural, community service, and spirit clubs. On a chosen day in August, all clubs are invited to present during both lunches to allow students the opportunity to gather information on campus clubs and activities.

It is the duty of all concerned with high school athletics:

HOUSEKEEPING (OTHER) POLICIES

Each student is expected to attend school regularly and be on time. This is necessary for the student to receive the maximum benefits from the instructional program and to develop habits of punctuality, self-discipline, and responsibility. Please try to schedule appointments outside of the school day. Students and parents are advised to keep track of absences. A note from a doctor will be required after the tenth absence for any reason. After ten unexcused absences in any given class, a student may lose credit for that class per Board Policy 5121. Any student attending less than a full day of classes must have an excused absence cleared by the attendance office for the length of the absence in order to participate in any athletics or extra-curricular activities.

All absences must be excused; excused absences include but not limited to the following.

TRUANCY

The definition of truancy also applies to students who arrive late to school 30 minutes or more without a valid excuse from the parent in person, in writing, or by telephone. If the absence is not cleared, it will remain recorded and enforced as a truancy.

HABITUAL TRUANCY is defined by the following

1. Unexcused absence for three full days in a school year
2. Tardy for more than thirty minutes on three occasions in a school year

Board Policy 5121 states:

"The Board believes that 10 unexcused absences per grading period constitute excessive unexcused absences. Students with excessive unexcused absences may receive a failing grade and not receive credit for the class(es)."

AR 5121 states:

"Whenever it becomes evident to a teacher that a student is in danger of failing a course, the teacher shall arrange a conference with the student's parent/guardian or send the parent/guardian a written report."

DISTRICT REQUIREMENTS:

1. When a student is habitually truant, the school shall convene a conference with the student, parent(s) and teacher(s). At the appropriate time, the student will be referred to the District for action by SARB.
2. When a student is habitually truant from one class at the secondary level, the teacher shall make personal contact with parents. (Personal contact is defined as a telephone or face-to-face conference; an "attempt" to contact is not sufficient). All such contacts/conferences must be recorded in Aeries by the teacher.
3. Parents of students in danger of failing a course due to excessive absences must be informed, per Board Policy, by the teacher through personal contact (as defined above).
4. At the secondary level, students who have 10 unexcused absences in a class may receive a failing grade, provided the above three requirements have been met. (Board Policy 5121)

Appendix A

Pandemic / Flu Plan

Seasonal Flu:

- Caused by influenza viruses that are closely related to viruses that have previously circulated; most people will have some immunity to it.
- Symptoms include fever, cough, runny nose and muscle pain.
- Complications such as pneumonia are most common in the very young and very old and may result in death.
- Vaccine is produced each season to protect people from the three influenza strains predicted to be most likely to cause illness.

Mild to Moderate Pandemic:

- Caused by new influenza virus that has not previously circulated and can be easily spread.
- It is likely most people will have no immunity to the new virus; it will likely cause illness in high numbers of people and more severe illness and deaths than seasonal influenza.
- Symptoms are similar to seasonal flu, but may be more severe and have more serious complications.
- Healthy adults may be at increased risk for serious complications.

Severe Pandemic:

- A severe strain causes more severe illness, results in a greater loss of life and has a greater impact on society.
- Workplace absenteeism could reach up to 40% due to people being ill themselves or caring for family members.

Measures to limit the spread of flu:

- Promote hand-washing/use of antibacterial wipes, cough hygiene via modeling by school staff.
- Cover nose and mouth with a tissue or upper arm if a tissue is not available
- Dispose of used tissue in a waste basket and wash hands after coughing, sneezing or blowing nose.
- Use warm water and soap or alcohol-based sanitizers to clean hands.
- Wash hands before eating or touching eyes, nose or mouth.
- Encourage vaccination of staff and students for whom the flu vaccine is recommended.
- Persons developing symptoms at school should be sent home as soon as possible and instructed not to return until well.

Social distancing:

In a pandemic, the risk of getting the flu is greatest when one has close contact with an infected person. Social distancing measures may include:

- Modify, postpone, or cancel large school events.
- Increase space between people at school to at least 3 feet, as much as possible.
- Cancel outdoor recess,
- Open windows if weather permits or run continuous fan on HVAC system while room is occupied or when students leave the room for lunch.
- Consider possible school closure for a short amount of time early in the course of a community outbreak.
- Coordination with Sacramento County Public Health at their request.

Appendix B
